2017-18 Athletic Media Relations Questionnaire

In this questionnaire, the Bemidji State University Office of Athletic Media Relations is requesting information about your athletics background. You are not legally required to provide any of the information requested in this questionnaire, but by doing so, the Media Relations Office will be able to provide information about you and your team to media representatives more effectively. Some of the information that is requested is classified as private data, but by providing the information in this questionnaire, you agree that the Office of Athletic Media Relations may use it to prepare news releases, answer questions from media representatives, generate feature stories about student-athletes and keep its website updated with complete and accurate information. Not completing the form or providing incomplete information will not affect your ability to compete in your sport but may limit what the university is able to disclose to the media about you unless you authorize other disclosures.

Access to the information you provide in this questionnaire will be limited to the Athletic Media Relations staff, coaches and other athletic administrative personnel.
