

Pattern #24

1. Enter at lope on left lead. Break to jog at B. Square corner right. Break to walk before center.
2. In center extended lope circle to the right. Slow to the lope and continue straight.
3. Lope 2 square corners right. Change leads in middle of line. **Drop Stirrups**.
4. Lope an arc to the left. In middle of line, break to extended trot. Arc to right.
5. In middle slow to jog and jog a square to the right. At completion, lope a left lead counter canter circle to right.
6. Continue lope straight. Counter canter square corner right at A. Halfway between A and B, break to extended trot
7. Continue straight. Extended trot 2 square corners. Stop in center.
8. 180° turn left. Back a horse length. 180° turn right. Exit at the extended trot.
