

ETSU ATHLETIC TRAINING

Position:

ETSU Athletic Training Intern

Job Description:

ETSU Sports Medicine Department is currently seeking interns for the following sports teams: Football, Men/Women Basketball, Men/Women Soccer, Baseball, Softball, and XC/T&F. We are looking for enthusiastic and hardworking individuals with a passion for athletics and rehabilitation. This internship is focused for those individuals who are currently interested or seeking to pursue a career in Sports Medicine or Athletic Training.

Each Athletic Training Intern will be assigned to a sport of their preference (pending availability). Over the course of the semester interns have the potential to travel with teams and obtain team gear, although opportunities vary between sports.

Internship Duties:

- Practice/Field set up and break down
- Practice/Game coverage
- Assist with rehabilitation and treatment of athletes
- Maintenance and upkeep of Athletic Training Room
- Perform learning modules and article critiques
- Assist Athletic Trainer with documentation

Requirements:

- Applicant must be pursuing a Bachelor's Degree in exercise science or health related field.
- 2.75 GPA minimum requirement (preference will be given to those with 3.0 or higher)
- Reference from current faculty member
- Must be able-bodied and be able to lift at least 30lbs
- Must be willing to work and STRONG DESIRE TO LEARN
- Flexible schedule

Start Date:

- Summer 2016
- Fall 2016
- Spring 2017
