

**East Tennessee State University**  
**BucSports Athletic Medicine Center**  
**Emergency Action Plan**  
Revised 8/12/2016

**Introduction:**

1. Have an emergency medical plan for each venue.
2. Proper coverage of all ETSU athletic events by appropriate staff.
3. Proper maintenance of emergency medical equipment/supplies.
4. Utilization of proper emergency staff.
5. Continuing education for all staff on emergency techniques/planning.
6. Communication prior to the event.

**Emergency Personnel** – This includes physicians, emergency medical technicians, certified athletic trainers, graduate assistant athletic trainers, student athletic trainers, coaches, and managers. The personnel at the event will widely vary according to event and venue. All members may not be present. Within the personnel there are different roles that must be filled to assure the emergency medical plan is utilized correctly. The first responder is the most qualified individual present at the scene. In most cases this will be a certified athletic trainer or student athletic trainer certified in first aid and CPR. The first responder is responsible for verbally commanding other emergency personnel to assume the following roles that are necessary to insure proper management of the emergency.

**Roles of First Responders**

- |           |   |
|-----------|---|
| <b>1:</b> | Assessment of the scene and immediate care of the athlete |
| <b>2:</b> | Activation of EMS   |
| <b>3:</b> | Retrieval of emergency supplies and equipment             |
| <b>4:</b> | Meeting and directing EMS to the scene.                   |

EMS is to be activated (called) when the situation is deemed an emergency or life threatening. Time is crucial at this point and this role should be assumed by someone familiar with the venue location and address. The retrieval of emergency supplies and equipment should be done by someone who knows where and what the equipment is. An assistant coach or student athletic trainer is a good choice for this position. Meeting and directing EMS to the scene of the emergency needs to be done by somebody who has keys to any locked gates or doors that may slow down the arrival of medical personnel.

## **Activation of EMS**

### **Placing the call:**

- University phone: **9-6900, 9-4480 or 911**
- Cellular phone-on campus: **423-439-6900 or 423-439-4480**
- OFF CAMPUS: 911

### **Information:**

- Name, address, and telephone number of caller
- Location of incident
- Nature of emergency
- Number of athletes involved
- Condition of athlete(s)
- Current treatment(s)
- Specific directions to locate scene
- Any other information requested by dispatcher
- DO NOT HANG UP UNTIL INSTRUCTED TO BY DISPATCHER

## **Emergency Communication**

Communication is necessary for quick emergency response. If EMS is at the scene, communication of both groups prior to the event is a good way to establish rapport. If EMS is not at the scene, then direct communication with the dispatcher is necessary to maintain emergency medical transportation.

Access to a working telephone must be assured before every practice and event. This is most commonly a cellular phone or fixed telephone. At any athletic event, home or away, it is important to know the location of the nearest telephone and how to access it.

## **Emergency Equipment and Supplies**

All emergency equipment and supplies should be on hand and easily accessible. Equipment must be in good working order and checked on a regular basis. Personnel must be trained in advance on the use of the equipment and the use should be rehearsed. The following equipment should be stored in a clean and environmentally controlled area and be readily available in the case of an emergency.

- Spine board
- Vacuum splints
- First Aid Supplies
- CPR equipment
- Automated External Defibrillator (AED)

## **Medical Emergency Transportation**

An ambulance is onsite for the following high risk sports: football, men's basketball, and women's basketball. Having an ambulance onsite may also be coordinated for other special events/tournaments.

In an emergency event, the athlete should be transported by ambulance with the necessary staff and equipment. If the emergency personnel leave the scene of the event, it must be insured that the event is supervised. The following are emergency situations that are to be considered medical transport situations:

- ❑ Impairment of:
  - Level of consciousness (LOC)
  - Airway, breathing, circulation (ABC)
- ❑ Neurovascular compromise
- ❑ Dislocation
- ❑ Open fracture or profuse bleeding
- ❑ Suffering from heat stress
- ❑ Severe head injury
- ❑ Possible C-spine injury
- ❑ Shock

## **Emergency Plan: ETSU/MHSA Athletics Center (Mini-Dome)**

**Emergency Personnel:** There will be a certified staff athletic trainer and/or a graduate assistant athletic trainer on site for practice and competition. Additional personnel can be reached in the BucSports Athletic Medicine Center located on the west side of the ETSU/MSHA Athletics Center on the ETSU campus.

**Emergency Communication:** The ETSU athletic trainer will have a cellular phone available. There is a fixed telephone on the southwest wall of the building (directly underneath weight room) and in the North end, next to the loading door; additional phones are located in BucSports Athletic Medicine Center and in coach's offices.

**Emergency Equipment:** Supplies that will be provided at this location are as follows:

- Splint Kit
- Crutches
- Basic First Aid Supplies
- Automated External Defibrillator (AED)

Additional emergency equipment accessible from the BucSports Athletic Medicine Center located in the ETSU/MSHA Athletics Center on the ETSU campus. Phone # 423-439-4208, 423-439-5012, or 423-439-4044.

### **Roles of First Responders**

- 1.) Immediate care of the injured or ill student-athlete
- 2.) Activation of emergency medical system (EMS) 439-4480 or 439-6900 call (provide name, address, telephone number; number of individuals injured; condition of injured; first aid treatment; specific directions; other information as requested)
- 3.) Emergency equipment retrieval
- 4.) Direction of EMS to scene:
  - Open appropriate gates
  - Designate individual to "flag down" EMS and direct to scene
  - Scene control: limit scene to first aid providers and move bystanders away from area

**Venue Directions:** The mini-dome is located on the ETSU campus at the corner of John Robert Bell Drive and State of Franklin. For most emergencies, it is best accessed off of State of Franklin through the loading door at the north end of the building.

**ETSU Address:** 1081 John Robert Bell Drive, Johnson City, TN 37614

### **Follow-up:**

- If student-athlete/patient is transported: medical authorizations and insurance information needs to be taken to the facility.
- Appropriate paperwork is to be filled out.
- Emergency contact/parents need to be notified.
- Inform Head Athletic Trainer and Team Physician of situation.

## **Emergency Plan: Brooks Gym (Volleyball/Basketball/ROTC)**

**Emergency Personnel:** There will be a certified staff athletic trainer and/or a graduate assistant athletic trainer on site for practice and competition. Additional personnel can be reached in the BucSports Athletic Medicine Center, which is located on the west side of the ETSU/MSHA Athletics Center on the ETSU campus.

**Emergency Communication:** The ETSU athletic trainer will have a cellular phone available. Additional phones are located in the front hallway and the offices.

**Emergency Equipment:** Supplies that will be provided at this location are as follows:

- Splint Kit
- Crutches
- Basic First Aid Supplies
- Automated External Defibrillator (AED)

Additional emergency equipment accessible from the BucSports Athletic Medicine Center is located in the ETSU/MSHA Athletics Center on the ETSU campus. Phone # 423-439-4208, 423-439-5012, or 423-439-4044

### **Roles of First Responders**

- 1.) Immediate care of the injured or ill student-athlete
- 2.) Activation of emergency medical system (EMS) 439-4480 or 439-6900 call (provide name, address, telephone number; number of individuals injured; condition of injured; first aid treatment; specific directions; other information as requested)
- 3.) Emergency equipment retrieval
- 4.) Direction of EMS to scene:
  - Open appropriate gates
  - Designate individual to "flag down" EMS and direct to scene
  - Scene control: limit scene to first aid providers and move bystanders away from area

**Venue Directions:** Brooks Gym is located on the ETSU campus on Sherrod Drive. This facility is best accessed in the front of the building. The rear of the building may be accessed off of John Robert Bell Drive.

**ETSU Address:** 1127 John Robert Bell Drive, Johnson City, TN 37614

### **Follow-up:**

- If student-athlete/patient is transported: medical authorizations and insurance information needs to be taken to the facility.
- Appropriate paperwork is to be filled out.
- Emergency contact/parents need to be notified.
- Inform Head Athletic Trainer and Team Physician of situation.

## **Emergency Plan: Summers-Taylor Stadium (Soccer)**

**Emergency Personnel:** There will be a certified athletic trainer and/or a graduate assistant athletic trainer on site for practice and competition. Additional personnel can be reached in the BucSports Athletic Medicine Center, which is located on the west side of the ETSU/MSHA Athletics Center on the ETSU campus.

**Emergency Communication:** The ETSU athletic trainer, supervising coach, or game manager will have a cellular phone available.

**Emergency Equipment:** Supplies that will be provided at this location are as follows:

- Splint Kit
- Crutches
- Basic First Aid Supplies
- Automatic External Defibrillator (AED)

Additional emergency equipment accessible from the BucSports Athletic Medicine Center located in the ETSU/MSHA Athletics Center on the ETSU campus. Phone # 423-439-4208, 423-439-5012, or 423-439-4044

## **Roles of First Responders**

- 1.) Immediate care of the injured or ill student-athlete
- 2.) Activation of emergency medical system (EMS) 439-4480 or 439-6900 call (provide name, address, telephone number; number of individuals injured; condition of injured; first aid treatment; specific directions; other information as requested)
- 3.) Emergency equipment retrieval
- 4.) Direction of EMS to scene:
  - Open appropriate gates
  - Designate individual to "flag down" EMS and direct to scene
  - Scene control: limit scene to first aid providers and move bystanders away from area

**Venue Directions:** Located on the campus of ETSU. Can be accessed off of J.L. Seehorn Jr. Road and turning onto South Dossett Drive.

**ETSU Address:** 439 Go Bucs Trail, Johnson City, TN 37614

## **Follow-up:**

- If student-athlete/patient is transported: medical authorizations and insurance information needs to be taken to the facility.
- Appropriate paperwork is to be filled out.
- Emergency contact/parents need to be notified.
- Inform Head Athletic Trainer and Team Physician of situation.

## **Emergency Plan: Basler Center for Physical Activity (CPA)**

**Emergency Personnel:** There will be a certified athletic trainer and/or a graduate assistant athletic trainer on site for practice and competition. Additional personnel can be reached in the BucSports Athletic Medicine Center, which is located on the west side of the ETSU/MSHA Athletics Center on the ETSU campus.

**Emergency Communication:** The ETSU athletic trainer will have a cellular phone available. A Campus Emergency Telephone is located inside the Basler Center for Physical Activity (CPA).

**Emergency Equipment:** Supplies that will be provided at this location are as follows:

- Splint Kit
- Crutches
- Basic First Aid Supplies
- Automated External Defibrillator (AED)

Additional emergency equipment accessible from the BucSports Athletic Medicine Center located in the ETSU/MSHA Athletics Center on the ETSU campus. Phone # 423-439-4208, 423-439-5012, or 423-439-4044

## **Roles of First Responders**

- 1.) Immediate care of the injured or ill student-athlete
- 2.) Activation of emergency medical system (EMS) 439-4480 or 439-6900 call (provide name, address, telephone number; number of individuals injured; condition of injured; first aid treatment; specific directions; other information as requested)
- 3.) Emergency equipment retrieval
- 4.) Direction of EMS to scene:
  - Open appropriate gates
  - Designate individual to "flag down" EMS and direct to scene
  - Scene control: limit scene to first aid providers and move bystanders away from area

**Venue Directions:** Located on the ETSU campus. It is best accessed off of State of Franklin to Greenwood Drive to Jack Vest Drive.

**ETSU Address:** 1244 Jack Vest Drive, Johnson City, TN 37614

## **Follow-up:**

- If student-athlete/patient is transported: medical authorizations and insurance information needs to be taken to the facility.
- Appropriate paperwork is to be filled out.
- Emergency contact/parents need to be notified.
- Inform Head Athletic Trainer and Team Physician of situation.

## **Emergency Plan: Outdoor Practice Fields/Intramural Field (Football/Intramurals)**

**Emergency Personnel:** There will be a certified athletic trainer and/or a graduate assistant athletic trainer on site for practice and competition. Additional personnel can be reached in the BucSports Athletic Medicine Center, which is located on the west side of the ETSU/MSHA Athletics Center on the ETSU campus.

**Emergency Communication:** The ETSU athletic trainer will have a cellular phone available. A Campus Emergency Telephone is located inside the Basler Center for Physical Activity (CPA).

**Emergency Equipment:** Supplies that will be provided at this location are as follows:

- Splint Kit
- Crutches
- Basic First Aid Supplies

Additional emergency equipment accessible from the BucSports Athletic Medicine Center located in the ETSU/MSHA Athletics Center on the ETSU campus. Phone # 423-439-4208, 423-439-5012, or 423-439-4044

### **Roles of First Responders**

- 1.) Immediate care of the injured or ill student-athlete
- 2.) Activation of emergency medical system (EMS) 439-4480 or 439-6900 call (provide name, address, telephone number; number of individuals injured; condition of injured; first aid treatment; specific directions; other information as requested)
- 3.) Emergency equipment retrieval
- 4.) Direction of EMS to scene:
  - Open appropriate gates
  - Designate individual to "flag down" EMS and direct to scene
  - Scene control: limit scene to first aid providers and move bystanders away from area

**Venue Directions:** Located on the ETSU campus. It is best accessed off of State of Franklin to Greenwood Drive to Jack Vest Drive

**ETSU Address:** 1244 Jack Vest Drive, Johnson City, TN 37614

### **Follow-up:**

- If student-athlete/patient is transported: medical authorizations and insurance information needs to be taken to the facility.
- Appropriate paperwork is to be filled out.
- Emergency contact/parents need to be notified.
- Inform Head Athletic Trainer and Team Physician of situation.

## **Emergency Plan: ETSU Campus Recreation Complex (Intramurals)**

**Emergency Personnel:** There will be a certified athletic trainer and/or a graduate assistant athletic trainer on site for practice and competition. Additional personnel can be reached in the BucSports Athletic Medicine Center, which is located on the west side of the ETSU/MSHA Athletics Center on the ETSU campus.

**Emergency Communication:** The ETSU athletic trainer will have a cellular phone available.

**Emergency Equipment:** Supplies that will be provided at this location are as follows:

- Splint Kit
- Crutches
- Basic First Aid Supplies

Additional emergency equipment accessible from the BucSports Athletic Medicine Center located in the ETSU/MSHA Athletics Center on the ETSU campus. Phone # 423-439-4208, 423-439-5012, or 423-439-4044

### **Roles of First Responders**

- 1.) Immediate care of the injured or ill student-athlete
- 2.) Activation of emergency medical system (EMS) 439-4480 or 439-6900 call (provide name, address, telephone number; number of individuals injured; condition of injured; first aid treatment; specific directions; other information as requested)
- 3.) Emergency equipment retrieval
- 4.) Direction of EMS to scene:
  - Open appropriate gates
  - Designate individual to "flag down" EMS and direct to scene
  - Scene control: limit scene to first aid providers and move bystanders away from area

**Venue Directions:** Located on the ETSU campus. It is best accessed off of State of Franklin, turn on to Greenwood Drive, turn left to Ashley Road, then turn left to Seminole Drive.

**ETSU Address:** 1510 Seminole Drive, Johnson City, TN 37614

### **Follow-up:**

- If student-athlete/patient is transported: medical authorizations and insurance information needs to be taken to the facility.
- Appropriate paperwork is to be filled out.
- Emergency contact/parents need to be notified.
- Inform Head Athletic Trainer and Team Physician of situation.

## **Emergency Plan: BucSports Athletic Medicine Center**

**Emergency Personnel:** Physicians, professional office staff, wellness staff members, physical therapists, and/or certified and graduate assistant athletic trainers. Exact staff on scene varies according to the date, time, and events occurring.

**Emergency Communication:** Phones are located in the front office, the physician's office, 3 staff offices, and next to exit door on the northeast wall next to taping station. Cellular phones may not function properly within the clinic/athletic training room based on the service signal.

**Emergency Equipment:** Supplies at this location are as follows:

- Splint Kit
- Crutches
- Basic First Aid Supplies
- Automatic External Defibrillator (AED)

## **Roles of First Responders**

- 1.) Immediate care of the injured or ill student-athlete/patient
- 2.) Activation of emergency medical system (EMS) 439-4480 or 439-6900 call (provide name, address, telephone number; number of individuals injured; condition of injured; first aid treatment; specific directions; other information as requested)
- 3.) Emergency equipment retrieval
- 4.) Direction of EMS to scene:
  - Open appropriate gates and doors
  - Designate individual to "flag down" EMS and direct to scene
  - Scene control: limit scene to first aid providers and move bystanders away from area

**Venue Directions:** Located on the ETSU campus on the corner of John Robert Bell Dr. and State of Franklin in the ETSU/MSHA Athletics Center.

**ETSU Address:** 1081 John Robert Bell Drive, Johnson City, TN 37614

## **Follow-up:**

- If student-athlete/patient is transported: medical authorizations and insurance information needs to be taken to the facility.
- Appropriate paperwork is to be filled out.
- Emergency contact/parents need to be notified.
- Inform Head Athletic Trainer and Team Physician of situation.

## **Emergency Plan: Blackthorn Country Club/Warren Green Golf Center (Golf)**

**Emergency Personnel:** There will be a certified athletic trainer and/or a graduate assistant athletic trainer on site or on call for practice and competition. Additional personnel can be reached in the BucSports Athletic Medicine Center, which is located on the west side of the ETSU/MSHA Athletics Center on the ETSU campus.

**Emergency Communication:** The ETSU athletic trainer or supervising coach will have a cellular phone available. Other phones may be accessible at the specific golf course Clubhouse.

**Emergency Equipment:** Emergency equipment accessible from the BucSports Athletic Medicine Center located in the ETSU/MSHA Athletics Center on the ETSU campus. Phone # 423-439-4208, 423-439-5012, or 423-439-4044

### **Roles of First Responders**

- 1.) Immediate care of the injured or ill student-athlete
- 2.) Activation of emergency medical system (EMS) 911 call (provide name, address, telephone number; number of individuals injured; condition of injured; first aid treatment; specific directions; other information as requested)
- 3.) Emergency equipment retrieval
- 4.) Direction of EMS to scene:
  - Open appropriate gates
  - Designate individual to "flag down" EMS and direct to scene
  - Scene control: limit scene to first aid providers and move bystanders away from area

**Venue Directions:** Exit 38 from I-26W; make a left onto Old Jonesborough Hwy. Go approximately 3 miles and turn right into the country club. Follow road straight to the course clubhouse. The on campus complex can be accessed from Seminole Drive or Cherokee Road, turning on to College Heights Road, then turning on to Narrow Lane.

**Country Club Address:** 1501 Ridges Club Drive, Jonesborough, TN 37659

**Practice Complex Address:** 1105 Narrow Lane, Johnson City, TN 37614

### **Follow-up:**

- If student-athlete/patient is transported: medical authorizations and insurance information need taken to the facility.
- Appropriate paperwork is to be filled out.
- Emergency contact/parents need to be notified.
- Inform Head Athletic Trainer and Team Physician of situation.

## **Emergency Plan: Thomas Stadium (Baseball)**

**Emergency Personnel:** There will be a certified athletic trainer and/or a graduate assistant athletic trainer on site for practice and competition. Additional personnel can be reached in the BucSports Athletic Medicine Center, which is located on the west side of the ETSU/MSHA Athletics Center on the ETSU campus.

**Emergency Communication:** The ETSU athletic trainer, supervising coach, or game manager will have a cellular phone available.

**Emergency Equipment:** Supplies that will be provided at this location are as follows:

- Splint Kit
- Crutches
- Basic First Aid Supplies
- Automatic External Defibrillator (AED)

Additional emergency equipment accessible from the BucSports Athletic Medicine Center located in the ETSU/MSHA Athletics Center on the ETSU campus. Phone # 423-439-4208, 423-439-5012, or 423-439-4044

## **Roles of First Responders**

- 1.) Immediate care of the injured or ill student-athlete
- 2.) Activation of emergency medical system (EMS) 439-4480 or 439-6900 call (provide name, address, telephone number; number of individuals injured; condition of injured; first aid treatment; specific directions; other information as requested)
- 3.) Emergency equipment retrieval
- 4.) Direction of EMS to scene:
  - Open appropriate gates
  - Designate individual to "flag down" EMS and direct to scene
  - Scene control: limit scene to first aid providers and move bystanders away from area

**Venue Directions:** Located on the corner of University Street and Lee Street in Johnson City. It may be accessed through University Edge 918 West Watauga Avenue, Johnson City, TN 37604.

**ETSU Address:** 1118 University Parkway, Johnson City, TN 37614

## **Follow-up:**

- If student-athlete/patient is transported: medical authorizations and insurance information need taken to the facility.
- Appropriate paperwork is to be filled out.
- Emergency contact/parents need to be notified.
- Inform Head Athletic Trainer and Team Physician of situation.

## **Emergency Plan: Betty Basler Field (Softball)**

**Emergency Personnel:** There will be a certified athletic trainer and/or a graduate assistant athletic trainer on site for practice and competition. Additional personnel can be reached in the BucSports Athletic Medicine Center, which is located on the west side of the ETSU/MSHA Athletics Center on the ETSU campus.

**Emergency Communication:** The ETSU athletic trainer, supervising coach, or game manager will have a cellular phone available.

**Emergency Equipment:** Supplies that will be provided at this location are as follows:

- Splint Kit
- Crutches
- Basic First Aid Supplies
- Automatic External Defibrillator (AED)

Additional emergency equipment accessible from the BucSports Athletic Medicine Center located in the ETSU/MSHA Athletics Center on the ETSU campus. Phone # 423-439-4208, 423-439-5012, or 423-439-4044

## **Roles of First Responders**

- 1.) Immediate care of the injured or ill student-athlete
- 2.) Activation of emergency medical system (EMS) 439-4480 or 439-6900 call (provide name, address, telephone number; number of individuals injured; condition of injured; first aid treatment; specific directions; other information as requested)
- 3.) Emergency equipment retrieval
- 4.) Direction of EMS to scene:
  - Open appropriate gates
  - Designate individual to "flag down" EMS and direct to scene
  - Scene control: limit scene to first aid providers and move bystanders away from area

**Venue Directions:** Located on the campus of ETSU. Accessed through South Greenwood Drive and turn on to Ashley Road where the entrance access is to the right. Field access is through the right field fence gate.

**ETSU Address:** 901 Ashley Road, Johnson City, TN 37614

## **Follow-up:**

- If student-athlete/patient is transported: medical authorizations and insurance information need taken to the facility.
- Appropriate paperwork is to be filled out.
- Emergency contact/parents need to be notified.
- Inform Head Athletic Trainer and Team Physician of situation.

## **Emergency Plan: VA Campus/Road Courses (Cross-Country)**

**Emergency Personnel:** There will be a certified athletic trainer and/or a graduate assistant athletic trainer on site or on call for practice and competition. Additional personnel can be reached in the BucSports Athletic Medicine Center, which is located on the west side of the ETSU/MSHA Athletics Center on the ETSU campus.

**Emergency Communication:** The supervising coach will have a cellular phone available.

**Emergency Equipment:** Supplies that will be provided at each location are as follows:

- Splint Kit
- Crutches
- Basic First Aid Supplies

Additional emergency equipment accessible from the BucSports Athletic Medicine Center located in the ETSU/MSHA Athletics Center on the ETSU campus. Phone # 423-439-4208, 423-439-5012, or 423-439-4044

### **Roles of First Responders**

- 1.) Immediate care of the injured or ill student-athlete
- 2.) Activation of emergency medical system (EMS) 911 call (provide name, address, telephone number; number of individuals injured; condition of injured; first aid treatment; specific directions; other information as requested)
- 3.) Emergency equipment retrieval
- 4.) Direction of EMS to scene:
  - Open appropriate gates
  - Designate individual to "flag down" EMS and direct to scene
  - Scene control: limit scene to first aid providers and move bystanders away from area

**Venue Directions:** VA- Located across from ETSU Campus. It may be accessed off of either State of Franklin or Lamont Street (MAIN GATE).

**ETSU Address:** 4th Street Magnolia Ave, Johnson City, TN

### **Follow-up:**

- If student-athlete/patient is transported: medical authorizations and insurance information need taken to the facility.
- Appropriate paperwork is to be filled out.
- Emergency contact/parents need to be notified.
- Inform Head Athletic Trainer and Team Physician of situation.

## **Emergency Plan: Liberty Bell Park/Kermit Tipton Stadium (Football/Track)**

**Emergency Personnel:** There will be a certified athletic trainer and/or a graduate assistant athletic trainer on site for practice and competition. Additional personnel can be reached in the BucSports Athletic Medicine Center, which is located on the west side of the ETSU/MSHA Athletics Center on the ETSU campus.

**Emergency Communication:** The ETSU athletic trainer, supervising coach, or game manager will have a cellular phone available.

**Emergency Equipment:** Supplies that will be provided at this location are as follows:

- Splint Kit
- Crutches
- Basic First Aid Supplies
- Automated External Defibrillator (AED)

Additional emergency equipment accessible from the BucSports Athletic Medicine Center located in the ETSU/MSHA Athletics Center on the ETSU campus. Phone # 423-439-4208, 423-439-5012, or 423-439-4044

### **Roles of First Responders**

- 1.) Immediate care of the injured or ill student-athlete
- 2.) Activation of emergency medical system (EMS) 911 call (provide name, address, telephone number; number of individuals injured; condition of injured; first aid treatment; specific directions; other information as requested)
- 3.) Emergency equipment retrieval
- 4.) Direction of EMS to scene:
  - Open appropriate gates
  - Designate individual to "flag down" EMS and direct to scene
  - Scene control: limit scene to first aid providers and move bystanders away from area

**Venue Directions:** It is on the campus of Science Hill High School and best accessed off of Morningside Drive. Stay on Morningside Drive and once on the campus of Science Hill this turns into Cotty Jones Lane and you can access the track and football field off of this road. This road follows the tennis courts around and the track and football field is located at the end of the road.

**Address:** 505 Liberty Bell Blvd, Johnson City, TN 37604

### **Follow-up:**

- If student-athlete/patient is transported: medical authorizations and insurance information needs to be taken to the facility.
- Appropriate paperwork is to be filled out.
- Emergency contact/parents need to be notified.
- Inform Head Athletic Trainer and Team Physician of Situation

## **Emergency Plan: Freedom Hall (Basketball)**

**Emergency Personnel:** There will be a certified athletic trainer and/or a graduate assistant athletic trainer on site for practice and competition. Additional personnel can be reached in the BucSports Athletic Medicine Center, which is located on the west side of the ETSU/MSHA Athletics Center on the ETSU campus.

**Emergency Communication:** The ETSU athletic trainer, supervising coach, or game manager will have a cellular phone available.

**Emergency Equipment:** Supplies that will be provided at this location are as follows:

- Splint Kit
- Crutches
- Basic First Aid Supplies
- Automated External Defibrillator (AED)

Additional emergency equipment accessible from the BucSports Athletic Medicine Center located in the ETSU/MSHA Athletics Center on the ETSU campus. Phone # 423-439-4208, 423-439-5012, or 423-439-4044

## **Roles of First Responders**

- 1.) Immediate care of the injured or ill student-athlete
- 2.) Activation of emergency medical system (EMS) 911 call (provide name, address, telephone number; number of individuals injured; condition of injured; first aid treatment; specific directions; other information as requested)
- 3.) Emergency equipment retrieval
- 4.) Direction of EMS to scene:
  - Open appropriate gates
  - Designate individual to "flag down" EMS and direct to scene
  - Scene control: limit scene to first aid providers and move bystanders away from area

**Venue Directions:** It is on the campus of Science Hill High School and best accessed off of Knob Creek Road, turning on to Morningside Drive. Stay on Morningside Drive and once on the campus of Science Hill this turns into Cotty Jones Lane and you can access the facility off of this road. This road follows the tennis courts around and the loading entrance is located at this end of the facility.

**Address:** 505 Liberty Bell Blvd, Johnson City, TN 37604

## **Follow-up:**

- If student-athlete/patient is transported: medical authorizations and insurance information needs to be taken to the facility.
- Appropriate paperwork is to be filled out.
- Emergency contact/parents need to be notified.
- Inform Head Athletic Trainer and Team Physician of Situation

## **Emergency Plan: Dave Mullins Tennis Complex (Tennis)**

**Emergency Personnel:** There will be a certified athletic trainer and/or a graduate assistant athletic trainer on site for practice and competition. Additional personnel can be reached in the BucSports Athletic Medicine Center, which is located on the west side of the ETSU/MSHA Athletics Center on the ETSU campus.

**Emergency Communication:** The ETSU athletic trainer, supervising coach, or game manager will have a cellular phone available.

**Emergency Equipment:** Supplies that will be provided (when available) at this location are as follows:

- Splint Kit
- Crutches
- Basic First Aid Supplies
- AED

Additional emergency equipment accessible from the BucSports Athletic Medicine Center located in the ETSU/MSHA Athletics Center on the ETSU campus. Phone # 423-439-4208, 423-439-5012, or 423-439-4044

### **Roles of First Responders**

- 1.) Immediate care of the injured or ill student-athlete
- 2.) Activation of emergency medical system (EMS) 439-4480 or 439-6900 call (provide name, address, telephone number; number of individuals injured; condition of injured; first aid treatment; specific directions; other information as requested)
- 3.) Emergency equipment retrieval
