Wildcats, Cougars To Duke It Out On National Stage

Azusa Pacific has had its share of opportunities to show off its program in front of a national audience. Now the Cougars will share that stage with the GNAC's hottest program.

Central Washington will host Azusa Pacific on Saturday in a contest that will air on WatchESPN as part of the NCAA Division II Football Showcase. And the national audience will likely be treated to a high-scoring, exciting football game.

Both teams rank among the top-30 in Division II in offense. Azusa Pacific enters the week 21st in Division II with 486.5 yards of total offense per game while Central Washington, ranked No. 8 in the latest AFCA Division II Coaches Poll, is 24th with 459.3 yards of total offense per game.

Central Washington's offensive strength comes in the ground game. The Wildcats lead the GNAC and are ranked 12th in Division II with 238.4 rushing yards per game. The Cougars, meanwhile, excel in the passing game. They are 26th in Division II with 272.4 passing yards per game.

Both teams have some solid numbers on defense. Central Washington leads the nation with 4.25 team sacks per game, fourth with 10 tackles for loss per game and third in rushing defense, allowing 61.3 yards per game, and third with 15 interceptions.

While CWU is fifth in scoring defense, allowing 13.8 points per game, Azusa Pacific is 30th with 19.6 points allowed per game. The Cougars are second in Division II in net punting, averaging 40.13 yards per punt.

Both teams are coming off of solid wins last weekend. Central Washington used a pair of touchdowns by GNAC Offensive Player of the Week **Austin Pernell** to beat North Alabama 17-10. The Cougars had their way with Simon Fraser, limiting the Clan to 122 yards of total offense in a 61-0 rout.

Super Region IV & Earned Access

ABOUT SUPER REGION IV

Teams in the GNAC compete as part of Division II's Super Region IV. The regional alignment includes 41 schools and is comprised of schools from the GNAC (5), the Rocky Mountain Athletic Conference (11), the Lone Star Conference (9) and the Northern Sun Intercollegiate Conference (16). A total of 28 teams will make the Division II playoffs in 2017, seven teams from each of the four super regions. A total of 172 Division II schools sponsor football.

EARNED ACCESS

"Earned Access" berths are awarded to conferences which have a team ranked in the top-eight in their region. A total of seven teams in each region qualify for the playoffs. The impact of earned access is that if a team is ranked eighth or ninth, but qualifies for an earned access berth, it would qualify for the playoffs and displace a team ranked above it in the top-six. The GNAC currently does not receive an earned access berth because there are only five football playing schools of the GNAC.
