Dominant Scoring Performances Lead Way In Week 3

Humboldt State continued to roll over opponents while South Dakota Mines and Central Washington put on impressive scoring displays to lead the performances in week three of the GNAC football season.

The Lumberjacks put up their second straight week of 500-plus yards in their 66-7 non-conference rout of Dixie State. Humboldt State finished with 565 yards of total offense, but in a change in tact had the majority of those yards in the air. The Lumberjacks enter their bye week leading Division II in scoring offense and pass efficiency.

The dominant performance, led by quarterback **Robert Webber**, who leads Division II in pass efficiency, allowed the Lumberjacks to jump to No. 17 in the AFCA Division II Coaches Poll and No. 22 in the D2Football.com Poll.

South Dakota Mines outscored Wis.-River Falls 35-3 over the first 40 minutes of the game en route to a 49-22 victory. The Hardrockers have averaged 55.5 points per game in their two victories and are averaging 35 points per game in three games.

Central Washington, meanwhile, put an end to their two-game losing streak by scoring 40 first half points on Western Oregon to beat the Wolves 40-19. The Wildcats got all aspects of their game involved in the scoring, which included a 43-yard interception return by **Cedrique Chaney** and a 79-yard punt return for a touchdown by **Jesse Zalk**, the GNAC Special Teams Player of the Week.

Week four features a return to conference as Dixie State travels to Azusa Pacific for both teams' first GNAC counters of the season. Central Washington will host Simon Fraser in a non-conference tilt and South Dakota Mines will host Lyon College, a NAIA program from Batesville, Ark.

Western Oregon will head to Portland's Providence Park for a rematch with Portland State. The Wolves came within minutes of an upset last year, falling to the Division I-FCS Vikings 45-38. This season, Portland State opened with an upset of Washington State and enters the week ranked No. 17 in the Division I-FCS national poll.

Super Region III & Earned Access

ABOUT SUPER REGION III

Teams in the GNAC compete as part of Division II's West Region III. The regional alignment includes 47 schools and is comprised of schools from the Great American Conference (13), the MIAA (12) and Northern Sun (16). A total of 28 teams will make the Division II playoffs in 2015, seven teams from each of the four super regions. A total of 172 Division II schools sponsor football.

EARNED ACCESS

"Earned Access" berths are awarded to conferences which have a team ranked in the top-eight in their region. A total of seven teams in each region qualify for the playoffs. The impact of earned access is that if a team is if a team is ranked eighth or ninth, but qualifies for an earned access berth, it would qualify for the playoffs and displace a team ranked above it in the top-six. The GNAC currently does not receive an earned access berth since only three of its seven football schools are full member of the conference. A total of six is required.
