Humboldt State Early Leader In GNAC Play

Humboldt State took early control of the GNAC championship race thanks to a win over Western Oregon in a rare week one conference game to open the 2015 GNAC football season.

The Lumberjacks beat the Wolves at home, 29-20, to lead a week that saw six of the league's seven teams in action.

The season began in earnest last Thursday when defending champion Azusa Pacific traveled south to West Texas A&M. The Cougars rebounded from a 21-0 second quarter deficit and took their only lead with 5:43 to go for a 27-24 win.

The pollsters rewarded the Cougars as they climbed two spots to No. 17 in the AFCA Division II Top-25 Poll and five spots to No. 18 in the D2Football.com Top-25 Poll.

Central Washington put up a hard-fought battle at defending Division II national champion CSU-Pueblo in a game broadcast regionally by the American Sports Network. The Wildcats could not rebound from a 31-7 halftime deficit, however, dropping a 41-14 decision to the ThunderWolves.

Week two of the GNAC season finds all seven teams in action and includes three of non-

conference games against conference opponents. Central Washington will host Dixie State in a Thursday night contest, while Western Oregon welcomes Simon Fraser for their first game of the season. Humboldt State travels south to Azusa Pacific in what could be an early preview of an unofficial GNAC championship game. The Cougars and Jacks will play their conference contest in Arcata, Calif., on Oct. 10.

South Dakota Mines is the only GNAC team not playing an in-conference opponent. The Hardrockers will host Black Hills State for the 130th edition of "The Black Hills Brawl," the longest running rivalry game in Division II and the third longest running in college football.

The GNAC enters the week with two of the top passing offenses in Division II. Western Oregon is ranked 10th with 368 passing yards per game while South Dakota Mines is 21st with an average of 332 passing yards per game after week one.

Super Region III & Earned Access

ABOUT SUPER REGION III

Teams in the GNAC compete as part of Division II's West Region III. The regional alignment includes 47 schools and is comprised of schools from the Great American Conference (13), the MIAA (12) and Northern Sun (16). A total of 28 teams will make the Division II playoffs in 2015, seven teams from each of the four super regions. A total of 172 Division II schools sponsor football.

EARNED ACCESS

"Earned Access" berths are awarded to conferences which have a team ranked in the top-eight in their region. A total of seven teams in each region qualify for the playoffs. The impact of earned access is that if a team is if a team is ranked eighth or ninth, but qualifies for an earned access berth, it would qualify for the playoffs and displace a team ranked above it in the top-six. The GNAC currently does not receive an earned access berth since only three of its seven football schools are full member of the conference. A total of six is required.
