Super Region III & Earned Access

ABOUT SUPER REGION III

Teams in the GNAC compete as part of Division II's West Region III. The regional alignment includes 47 schools and is comprised of schools from the Great American Conference (13), the MIAA (12) and Northern Sun (16). A total of 28 teams will make the Division II playoffs in 2015, seven teams from each of the four super regions. A total of 172 Division II schools sponsor football.

EARNED ACCESS

"Earned Access" berths are awarded to conferences which have a team ranked in the top-eight in their region. A total of seven teams in each region qualify for the playoffs. The impact of earned access is that if a team is ranked eighth or ninth, but qualifies for an earned access berth, it would qualify for the playoffs and displace a team ranked above it in the top-six. The GNAC currently does not receive an earned access berth since only three of its seven football schools are full member of the conference. A total of six is required.
