Why choose an all girls soccer camp?

Girls excel in sporting environments where they can play and express themselves in their own ways. Girls approach life differently than boys, and benefit from the opportunities an all girls camp can provide.

In co-ed soccer camps, boys always seem to take the lead, monopolize the ball, and dominate the conversations. At an all girls camp, the players experience the success of their own approach to the game.

Our campers have more opportunities to build their confidence through learning new skills, to thrive in leadership roles, and to develop strong bonds with fellow campers...all without the anxiety that can be present in a co-ed camp.

Our camp will help your daughter

Be Active
Experience Success
Grow in Confidence
Develop Life Skills
Gain Resiliency
Make Friends
Have Fun

"I have a daughter and a son, and know first hand the developmental differences between the two. A girl will become more reserved and hesitate to speak out or engage fully in activities when boys are present. I truly believe that players thrive in our soccer camp environment. Over the past 3 summers, I've seen girls start camp timid and shy, and finish camp courageous and strong...it's awesome to see"

CAMPS AT A GLANCE:

DAY CAMP - Lipscomb's day camp puts an emphasis on learning the fundamentals and skills of the game in a safe and fun environment. Every level of soccer player is welcome from beginners to advanced players. Campers will be grouped according to their ages and ability levels in order to best enhance their enjoyment of the game and also to better develop them as soccer players. Daily instruction will focus on teaching and/or improving each camper's technical abilities in areas such as passing and receiving, dribbling, and shooting. Small-sided competitions will not only develop their cognitive soccer skills, but will also focus on sportsmanship and fair play in an encouraging and uplifting setting. Half Day Camp is 9-12pm; Full Day is 9-3pm.

LIL' BISON CAMP - The Lil'Bison camp is designed for the 2-4 year old soccer player. Each player will be offered the opportunity to learn the technical skills of soccer, and play small sided games. JUNIOR ADVANCED CAMP - The Junior Advanced Camp is for the motivated novice - intermediate player. Campers will get maximum touches with the ball and quality instruction to improve passing, dribbling, shooting, receiving, defending, attacking and more. The Junior Advanced Camp is designed in a way that will allow your child to develop their skills in a fun and encouraging environment. The day camp is 9-3pm. The commuter camp is 9am-8pm. The residential camp is an overnight camp. We will offer a team discount when you have 8+ campers register from the same team!

GOALKEEPER & STRIKER CAMP - The Lipscomb University Goalkeeper/Striker Camp will focus on developing two of the most vital positions in soccer. There will be concentrated coaching in all aspects of GK development and training, with special focus on diving, positional play, dealing with crosses, distribution, organization, and much more. The striker portion of our camp will focus on the techniques of goal-scoring and finishing. We will address placement vs. power and how to shape the ball from various angles and distances on the field. Furthermore, we will instruct the proper techniques of volleying, half-volleying, etc. to name a couple. The commuter camp is typically 9am-8pm. The Residential camp is an overnight camp.

SR. ADVANCED CAMP - This camp is designed to provide a player with an ULTIMATE experience by growing both in faith and soccer development. This is a soccer camp that is designed to not only get maximum touches on a soccer ball, quality instruction to improve passing, dribbling, shooting, receiving, defending, and attacking, but also provide time in daily bible study, small group discussion, and gathering together in worship. Like our other camps, this is a camp that will allow your daughter to develop their skills in a fun and encouraging environment. This camp is a residential or commuter camp.

TEAM CAMP - This is a camp for High School Teams designed to build team unity and on field chemistry as your squad prepares for the fall high school soccer season. Each team will receive technical and tactical coaching from one of the members of our USSF & NSCAA accredited coaching staff. Theory on formations and systems of play that will best fit your team can be addressed, or we are happy to train your team in the desired way of the coach (free admission to camp for coaches bringing 8 or more players). The evening sessions will allow you the opportunity to play 11vs11 against other teams that are attending camp. You will play multiple games against different opponents throughout the camp. In addition to soccer instruction and character development, your team will experience daily times of bible study, small group discussion, and worship. This camp is limited to 4 teams.

CAMPS AT A GLANCE CONTINUED:

Players will receive advanced training in areas such as passing, receiving, heading, tackling, & dribbling.
