The 10 wins this season are a school-record, breaking the mark of nine wins held by five previous Butler squads. It will be their first postseason appearance since moving to Division I FCS. Dayton won a share of its 10th PFL championship and first since 2007. It is Dayton's 24th season of nine or more overall victories – 18 of those in its last 25 seasons. It is the first PFL title for the Flyers under second-year head coach Rick Chamberlin.

A two-time Honorable Mention All-Pioneer Football League selection, Rundh has been voted to the PFL All-Academic Team twice as well. An international business and finance double major, he carries a 3.94 cumulative grade point average.

Wingeier, from Newark, Ohio, carries 3.78 GPA in Mechanical Engineering. He led Dayton with 6.5 sacks in 2009. He also had 39 tackles (18 solo), 11.5 tackles for loss, two fumbles recovered, one forced fumble and one interception. Three sophomores – Butler's Andrew Huck, Jacksonville's Josh McGregor and Drake's Mike Pitkowski – are ranked 1-2-3 among the league's passing yardage leaders. No. 4 on the list is Dayton senior quarterback Steve Valentino who started at quarterback for the first time in his collegiate career.

**DRAKE RECORDS HISTORIC 550th VICTORY:** Drake recorded the 550th win in program history with its season-opening victory against Grand View, Sept. 5. **MORE ABOUT VICTORIES:** Last season, Dayton became the 11th NCAA FCS team – and the first west of the Alleghenies – to win at least 600 games in its football history when it downed Davidson. Here are the 12 members of the club, heading into the 2009 season. Yale (853), Harvard (798), Penn (796), Princeton (780), Fordham (738), Dartmouth (643), Lafayette (640), Delaware (633), Lehigh (625), Cornell (616), Dayton (603) and North Dakota State (601).

**SAN DIEGO PICKED TO WIN PFL:** For the fourth consecutive season, the Pioneer Football League's coaches have tabbed San Diego as the preseason favorite in the PFL Preseason Coaches' Poll, receiving only five of 10 possible first-place votes. While San Diego was picked to win, the league's coaches also expect a competitive conference race as only six points separate the Toreros from Dayton and Jacksonville

who were picked to finish tied for second. Dayton, a perennial favorite, picked up three first place votes and 71 points while 2008 PFL Champion Jacksonville received the other two first place votes and also finished with 71 points:

**DIVISION I FCS, PLEASE:** Although some people may accidentally still refer to it as I-AA football, the term that represents the level of Division I football in which the Pioneer Football League competes has been retired. Beginning with the 2006 National Championship game, the term Football Championship Subdivision (or FCS) is to be used. FCS is the only Division I football rank to host a NCAA-sponsored national championship (one of 88 championships the NCAA sponsors). The division formerly known as I-A was changed to Football Bowl Subdivision (FBS) and those teams compete for the Bowl Championship Series (BCS) national championship. Teams who play at the FCS level can offer a maximum of 63 scholarships (FBS teams can offer 85) and compete in a 20-team playoff at the end of the season to determine the national champion.

**Notes on PFL Championship:** From 1993-2000 – and returning to the format in 2005 – the PFL was composed of one division and the championship went to the team with the best conference record. From 2001-2005, the league expanded and split into two divisions - North (N) and South (S) - with the divisional winners, who were the teams with the best record against divisional opponents, facing off in a championship game, the winner of that game was awarded the league's championship.
