**WEEK 4 PREVIEW**

Two teams whose passing games have outshone their running games will square off when **MOREHEAD STATE** visits **MARIST** to kickoff Week 4 action. The Eagles are ranked ninth in rushing offense (41.0 ypg) but lead the PFL in passing offense (297.3 ypg) behind quarterback Zach Lewis' back-to-back four-touchdown outings. The Red Foxes enter the game with the league's 10th ranked rushing office (32.5 ypg) but are third in passing offense (257.0 ypg) with quarterback Tommy Reilly leading the offense (226.0 ypg) 🏈 **JACKSONVILLE** closed out the 2009 campaign with three straight PFL victories, a streak they will take into **DAVIDSON**, which won its 2010 PFL opener in Week 3 at Campbell. The Dolphins will take the league's top-ranked offense (426.7 ypg) on the road where it will square off against a Wild-cats defense that leads the league by limiting opponents to 290.7 yards per game 🏈 **DRAKE** travels to **VALPARAISO** for the PFL opener for both teams. Both teams enter the game seeking their offensive voice, the Bulldogs are eighth in total offense (251.0 ypg) while Valparaiso is tenth (198.0 ypg). It will be the third consecutive road game for Drake after opening the season at home. 🏈 **BUTLER** begins defense of its co-championship with a trip to **SAN DIEGO**. The Bulldogs offense and defense are both ranked second after three weeks, the offense amassing 422.7 yards per game while the defense has limited opponents to 304.7 yards per game. The Toreros are still seeking their season's first victory and are 0-3 to start a season for the first time since 1980 🏈 **CAMPBELL** wraps up a three-game homestand when it hosts Georgia State, the newest member of the FCS. Campbell's rushing attack is ranked fourth (139.3 ypg) among PFL members behind the efforts of running back Rashaun Brown and quarterback Daniel Polk who are ranked fifth and eighth among the league's runners. 🏈 **DAYTON** also steps out of conference play when it hosts Central State in the middle game of a three-game homestand. The Flyers feature the league's top scoring attack, averaging 31 points per game. Quarterback Steve Valentino leads the league in total offense, averaging 312.0 yards per game, nearly 20 yards per game more than No. 2 Zach Lewis.

votes). Only eight points separated the top three teams in the 2010 poll, listed below:

**NEW SIGHTS AWAIT AT PFL SCHOOLS:** A building boom of sorts overtook the league's members over the summer with Butler and Jacksonville renovating their football facilities while Valparaiso added lights to Brown Stadium. Butler is completing renovations to its seating area and press box at the Butler Bowl, matching updates to its playing surface in 2005. Jacksonville has installed a new AstroTurf playing surface at D.B. Milne Field, replacing the natural turf that was the field's surface since 1998. One year after installing its own artificial surface, Valparaiso has added lights at Brown Stadium and will play its first-ever game under the lights when it hosts St. Joseph's (Ind.), Sept. 18.

## 2010 NCAA INFORMATION TO KNOW

**NCAA DIVISION I FOOTBALL CHAMPIONSHIP EXPANDS, CHANGES LOCATIONS:** In 2010, 20 teams will qualify for the NCAA Division I Football Championship. It is the first time since 1987 the NCAA Division I Football Championship has been expanded – then from 12 teams to 16 teams. In addition 10 of the 14 FCS conferences will receive automatic bids into the tournament – the Big South and Northeast Conferences gaining automatic berths. Entering 2010 there are 124 programs competing in football at the Division I FCS level.

**PFL COULD RECEIVE AT-LARGE BID IN 2010:** While the PFL did not receive a automatic qualifying spot into the 2010 championship, the league could still receive what would amount to an automatic at-large bid. Under criteria established by the championship committee, the PFL champion could receive an automatic at-large bid if it meets three criteria. First, it must win eight games against Division I opposition. Secondly, it must win two games against opponents from the 10 automatic qualifying conferences. Finally, it must finish the season ranked among the top 20 in the polls as calculated by the championship committee.

**DIVISION I FCS, PLEASE:** Although some people may accidentally still refer to it as I-AA football, the term that represents the level of Division I football in which the Pioneer Football League competes has been retired. Beginning with the 2006 National Championship game, the term Football Championship Subdivision (or FCS) is to be used. FCS is the only Division I football rank to host a NCAA-sponsored national championship (one of 88 championships the NCAA sponsors). The division formerly known as I-A was changed to Football Bowl Subdivision (FBS) and those teams compete for the Bowl Championship Series (BCS) national championship. Teams who play at the FCS level can offer a maximum of 63 scholarships (FBS teams can offer 85) and compete in a 20-team playoff at the end of the season to determine the national champion.

**Notes on PFL Championship:** From 1993-2000 – and returning to the format in 2005 – the PFL was composed of one division and the championship went to the team with the best conference record. From 2001-2005, the league expanded and split into two divisions - North (N) and South (S) - with the divisional winners, who were the teams with the best record against divisional opponents, facing off in a championship game, the winner of that game was awarded the league's championship.
