

TRI-CITIES BRANCH

ASSOCIATED GENERAL CONTRACTORS OF TENNESSEE TRI-CITIES BRANCH

BUILDING AND SERVING TRI-CITIES

The AGC of Tennessee – Tri-Cities Branch is part of the AGC of Tennessee that has been the voice of the construction industry in Tennessee since 1920. Statewide the association serves over 600 members of the commercial construction industry providing a wide array of support to the industry in addition to representing the interests of members at the state capitol in Nashville.

The Tri-Cities Branch, centrally located in Blountville, is the preeminent trade association in the region serving the commercial construction industry and related industries in East Tennessee. The organization has adopted the mission of Building and Serving East Tennessee from the perspective of both the construction industry and the community at large.

The branch is highly active and growing, providing an array of valuable services and benefits to members. Examples of the services provided include:

- Local Legislative Liaison
- Community Relations and Initiatives
- Weekly Construction News Bulletin
- Safety Programs and Related Training
- Leadership Development
- Project Management Training
- Continuing Education
- Availability of Legal Support
- Special Member Discounts
- CompTrustAGC Tennessee–Workers' Compensation
- Plan Room
- Resource Library
- Mobile Safety Classroom
- Student Program
- Special Events
- Regular Luncheons/Dinners
- Social Events

In addition, the AGC of Tennessee offers a number of popular annual events each year including:

- Tri-Cities AGC Excellence Awards
- Safety Stand Down
- Branch Golf Tournament
- Sporting Clays Tournament
- Fishing Tournament
- AGC of Tennessee Annual Convention

If you are not already a member of the AGC of Tennessee – Tri-Cities Branch, we encourage you to contact Allie Mullins, Executive Director, today.
