

1,281 Student-Athletes Named to 2016-17 OVC Commissioner's Honor Roll

August 11, 2017

FOR IMMEDIATE RELEASE

Contact: Kyle Schwartz

BRENTWOOD, Tenn. – On Friday it was announced that 1,281 student-athletes have been named to the Ohio Valley Conference's Commissioner's Honor Roll for the 2016-17 academic year.

Overall it marks the second-highest total in League history, trailing only a record 1,337 honorees a season ago.

To be listed, recipients must have achieved at least a 3.25 grade point average and have been eligible and on the team throughout the competitive season in their chosen NCAA-sponsored sport(s) and used a season of competition.

Those numbers included 16 student-athletes who compete in non-OVC championship sports that do not compete in another conference (i.e. Southeast Missouri gymnastics, UT Martin equestrian, Austin Peay, Jacksonville State, Morehead State and UT Martin beach volleyball) and 155 student-athletes who were recipients in multiple sports (and counted just once in the final total).

Eastern Illinois had the most selections to the Commissioner's Honor Roll (136) while the sport of women's track and field was the sport with the most honorees league-wide (168).

Over the past 10 years the OVC has honored over 11,000 student-athletes with the Commissioner's Honor Roll award.

Earlier this week the League announced that 221 student-athletes earned the OVC Academic Medal of Honor for having perfect 4.0 grade point averages last academic year. The League will announce the winner of the Academic Achievement Award and Team Academic Achievement Awards next week.
