

FAST BREAK CLUB WELCOME LETTER

Dear Women's Basketball Alumni,

Tennessee State University is a family. You are a part of that family. One of the biggest things we focus on with our players and coaching staff is family. We are family in every sense of the word. There are some family members we see every day and there are some we do not talk to or see as often as we would like. We want you, as part of our Lady Tiger family, to feel welcome here in our offices, locker room, special events, practice and games at any time.

Therefore, we are establishing an alumni booster club program to keep you more informed of everything happening back at "home" at Tennessee State University. Our mission is to build and maintain sincere relationships with the past players and their families by keeping you informed, involved and inspired to be a part of our legacy. Once a month we will try to send out newsletters with the most current news involving our program and alumni, a schedule of upcoming events specifically designed to involve you and your family and an alumni spotlight.

We will be hosting a breakfast on October 30th at 11am in the indoor football practice facility. We will BE introducing the new Women's Basketball Fast Break club, meeting and greeting the old with the new alumni. This year, we are focused on the concept of legacy. For a legacy to even be possible, you have a foundation. You were this foundation. We could not be where we are today without what you contributed on and off the court here as a Lady Tiger. It is a very exciting time around our program right now and we are wanting to continue with the success.

We appreciate everything you have done for our program and look forward to seeing you at the breakfast and events in the near future. We invite you and your family to come to the breakfast on Oct. 30th so that we can have a great time telling stories and enjoying seeing everybody. We look forward to seeing you on campus and at games the 2015-16 season. We have some great home games this year. Just a few highlighted home games that we hope you can make it to. **Nov. 28th and 29th is our own AD Teresa Phillips Classic and Dec.1 Lane College is our championship rings presentation night.** If we can be of any assistance to you in any way please let us know. That is what family is all about, helping each other.

If you do not mind, we have enclosed with this letter an application form for the **Fast Break Club**. Please fill out and return to us so we can have the most up to date information about you as an alumni! Again, we cannot wait to see you on campus and at games this season and in the near future!

Thank you

Tennessee State University Lady Tiger Basketball Program
